

EXTERIOR ALTERATION COMMITTEE MEETING-SUNSET PALMS

Date: Aug 01, 2023

Call to order: 10:02 AM

Chair: Greg Jackson

Committee Members: Richard Thomas, Don Barnes, Greg Jackson, Dave Bell

Guests: None

Submissions For Review:

Resident:

Address: 212B Canal

Request: Install hurricane straps on carport

Motion to Approve the Request: Greg Jackson

2nd: Don Barnes

Discussion: none

Vote: Unanimous

Resident: Hayes Conaty

Address: 154 Juniper

Request: Request to lay concrete at back of mobile in addition to having offset posts installed on driveway side

Motion to Approve the Request: Greg Jackson: To approve installation of offset posts only

2nd: Dave Bell

Discussion: Could not approve concrete pad at back of mobile due to underground pipes or wires

Vote: Unanimous

Resident: Vesely

Address: 15 Azalea

Request: Install paver stones on carport side as well as the rear of mobile home

Motion to Approve the Request: Greg Jackson

2nd: Dave Bell

Discussion: This request was approved pending inspection by Don Barnes to determine distance paver stones could be installed from rear of mobile without interfering with natural mound.

Vote: Unanimous

Discussion(if any): New form discussed . Agreed that one signature only would be required to approve request. This included Richard Thomas.

Adjournment: 10:35 AM

Motion: Greg Jackson

2nd : Don Barnes

Vote: Unanimous
