PRESIDENT'S CORNER

Submitted by Jan McCoy

“I’m sorry but I cannot come to the phone right now! I am on vacation and will return your call upon my return.” Well, I wish that was the case, but requirements continue with no sensitivity to the season.

The installation of the shutters on the clubhouse is almost complete and the generator project is beginning. An updated Wind Mitigation report, recognizing the protection of the clubhouse windows, should help reduce a portion of the cost of insurance coverage for 2026. The board hopes these improvements will better serve us should we encounter severe storms in the future. Budget planning for 2026 is right around the corner and we are preparing for an updated Reserve Study. This engineering review of our facilities quantifies the condition of our assets and solidifies a plan for proactive maintenance. The identified maintenance requirements transition into a phased approach which in turn drives annual expense upon which we base a portion of the coming year’s budget needs. This is just one piece of the overall funding requirements each year but an important one.

Feedback from preliminary meetings with our residents regarding the potential outdoor activities center was appreciated. A summary report will be available on the website in the Vision VIP Committee section for your reference; meanwhile, additional information is being worked on as a result of these discussions.

A reminder that Golden Gate residents are invited to use our pool while theirs is being worked on, effective the first week of August for approximately 6 weeks. We hope you enjoy the opportunity to meet and make new friends in your own backyard.

Our thoughts and prayers go out to those who have lost loved ones or who are facing health challenges. We are better together, and we care.

Respectfully submitted,

Jan McCoy

Directors

GUESTS

This month I want to remind residents about several Park Rules regarding guests and the use of the recreation facilities.

- All Guests staying more than two nights must register at the Park Office on arrival and obtain a temporary parking permit to be displayed when parking overnight in the park.
- A Guest is a person whose stay does not exceed thirty (30) total days in any twelve (12) month period, unless the Board of Directors approves, in writing, a longer period.
- No Guests will be allowed to stay in a unit unless one of the residents is present.
- Guests are the entire responsibility of their Resident host and must comply with Park Rules and Regulations.
- No pets may be brought in with Guests.
- Guest parking is allowed around the Clubhouse with an appropriate permit obtained from the park office.
- No visiting gasoline powered motorcycles are permitted in the park.
- It is the resident's responsibility to ensure that all guests under the age of eighteen (18) years of age are supervised by an adult when using the recreation facilities.

POOL

- The pool is open Sunday through Saturday from 8:00 am to 11 pm.
- There is no lifeguard on duty - the use of the pool and Jacuzzi is at your own risk.
- Rules are posted at the pool and the Jacuzzi.
- No one under the age of eighteen (18) is permitted on the pool deck, in the pool, or in the Jacuzzi without adult supervision.
- Adult-only hours are from 1:00 pm to 4:00 pm and 7:00 pm to 8:00 pm.
- No one under the age of eighteen is allowed in the pool area during adult hours.
- No diving or jumping is allowed.

Please follow the rules of the association to maintain harmony in the community.

Today is a good day to make it a good day!

Marilyn Corazza, CAM

Imposter Scam

The top types of imposter scams:

An imposter scammer may call, text, or email to convince you they are **someone in authority**. They may even use caller ID to make it look like they are calling from an official government or business' number. To commit identity theft, they try to get you to send money or a gift card or share personal information.

- **Government** imposter scams - Unless you contact them first, government agencies typically initiate communication with you by letter. Unexpected contact or demands through any other method may be a scam.
- **IRS** imposter scams - scammers pretend you owe the IRS money for taxes and may threaten legal action
- **Social Security** imposter scams - scammers claim there is a problem with your Social Security account or promise to increase your benefits
- **Charity** scams - scammers pretend to be from a real or fake charity and try to get you to contribute
- **Grandparent** scams - scammers pretend to be a grandchild or other relative who needs emergency financial help
- **Tech support** scams - scammers tell you your computer's security is at risk and try to remotely access your device and steal personal information or ask for payment
- Scammers may also pretend to be from your **bank or a company you do business with**. You might be told you owe money or there is a problem with your account.

- **Find Your Cozy Corner with a Favorite Warm Drink** - Whether it's a rich espresso from the ship's café or a soothing tea enjoyed on deck, having a go-to cozy beverage spot can bring a comforting sense of home to your vacation.
- **Unwind in the Library and Secret Hideaways** - Cruise ship libraries are peaceful retreats where you can read, journal, catch up on your iPad, or simply enjoy quiet time—just like at home. Beyond that, many ships offer tucked-away nooks and cozy corners with beautiful views, perfect for moments of solitude or reflection.
- **Take in the Views from Observation Decks** - Most ships feature exploration or observation decks at the bow, offering panoramic ocean vistas. Lounges like the Explorers Lounge provide a relaxing atmosphere to enjoy the scenery. For those joining our January 30 Holland America cruise, the Crow's Nest is a must-visit spot for stunning views and peaceful moments above the waves.
- **Keep Up Your Movement Rituals** - Whether it's yoga, water aerobics, or a morning walk on the deck, maintaining your usual exercise routine helps keep your mind and body balanced throughout your trip.
- **Hold Onto mini routines** - Try keeping one or two daily habits no matter where you are. Perhaps journaling each evening, making your bed, or calling a loved one at a set time each week can anchor you and make any place feel a little more like home.

Travel is about new horizons, but comfort can sail right alongside you. When you bring a touch of home on your journey, it can make each day feel more meaningful and personal. Familiar routines not only help you settle in more quickly, but they also add a sense of ease and joy to your travels, allowing you to be present and truly savor every new experience that comes your way. CLUBHOUSE USAGE

Submitted by Maggie Stokes

The Clubhouse is available to all residents of Sunset Palms. It is used for meetings of the cooperative, social events (both large and small) and is also available for private events. The main hall and the library are scheduled independently, and things can get quite busy during the season.

The Social Committee and event organizers have been busy making plans, and many events are already on the calendar. To see what is happening in the Clubhouse, you can go to the website (SunsetPalms.org). You do not need to log in to the website to view the calendar. Click on the “Calendar” tab at the top of screen to view the calendar.

The default view shows the current day’s activities. To check out future events, click on the “schedule” button located on the right side of the screen and change it to “week” for a view with days of the week across the top and the hours of the day going down. There are arrows on the same task line to change the dates displayed. The same tab button will also display the schedule by month. Please note that many of the days have the notation “2 more” or “3 more”. If you click on the “more” line, all the events for that day will pop up.

To find out more about a particular event, click on that event. A box will pop up showing the event name date, time and duration of the event. The event organizer and their email address are also listed.

We ask that you use the “submit your event” button located on the Calendar tab of the Sunset Palms website (SunsetPalms.org) to reserve your event. You must be logged onto the website to make reservations. A box will pop up and just fill in the blanks. In the event details box, please let us know if setup time is needed and what special arrangements are necessary. You will receive an email confirming that the event has been placed on the schedule.

Please be aware that all Social Committee sponsored events are to be approved by the Social Committee. Please reach out to Trish Costa, President (trish614c@yahoo.com) or Carol Eitenmiller, Vice President (cmeitenmiller@yahoo.com) for pre-approval before requesting space in the Clubhouse. If a private party/event is requested, paperwork will need to be completed with the office staff, and a refundable deposit is required. Private events are subject to cancelation if use of the clubhouse is needed for association events.

The Clubhouse is for your enjoyment. Don’t forget that the library has books for you to check out. The exercise room has equipment and a pool table. Dart boards are there for your use. A Ping-Pong table will be available soon. Come on down and have some fun!

Sunset Palms Spotlight is on the website!

Keep up to date on park events while you are away for the summer.

There is no need to login.

Just click the "Newsletter" tab on the Sunset Palms Website (SunsetPalms.org)

The newsletter is available on the 1st of each month.

Check it out!

MARK YOUR CALENDARS!!

Submitted by Bet LeBrun

I will be suspending posts for future events this summer and will add them as they become available later in the year.

Monthly events are still available via the Calendar (center of newsletter) or the online version.

Volunteers spend countless hours working on your behalf; this is why we are always requesting more help. And this is why we need you. When everybody does a little, it keeps others from having to do a lot. Spreading out our responsibilities makes things easier and a lot more fun for all.

THOUGHT FOR THE MONTH

Submitted by Pastor Nelson Blount

Relationships!

When all is said and done life is all about relationships. You all know this as you share in our Sunset Palms community. What does it take to have such a great community like ours? I think there are three things (no certain order).

1. Understanding. We all have lived enough of life (55+ community) to know what I'm suggesting. I enjoy going out to eat. Some of you relate. As I've gotten older being understanding has enhanced my experience. We all experience tough days! We expect servers to be about the customer experience. That's the goal of every server. But servers can be less attentive, forgetful or out of place with an attitude. One day I decided to hopefully flip the script on a server having a bad day. I smiled. I was upbeat. I was forgiving rather than demanding. Since I pray before I eat I tried simply asking the server if there was something I could pray with the server about. Surprisingly, this has been a gem of an effort providing some understanding. I have received very positive responses even having a server take a seat at the table overcome with emotion because of a recent tragedy of life.
2. Respect. This can be a challenge for us. Often, we can judge a book by its cover. That is not the path to respect. Respect has been under attack. It's almost like we are taught not to respect. We've heard that respect is earned. I've thought about this. Respect comes through offering to others such things like courtesy, politeness, appreciation, thoughtfulness, consideration, and understanding. When we appreciate or value someone else, we receive something in return.
3. Compassion. In essence, compassion is a powerful emotion that fosters kindness, empathy, and a desire to make a positive impact on the lives of others. Compassion is a heart issue. It's a matter of feeling with another. It's an action of empathy. We've all had rough knocks in life and when we see someone else going through that thing or something similar, we are moved to action to care enough.

What would our world be like, what would our Sunset Palms be like if every individual was understanding, respectful and compassionate? I want to thank each of you for making our community what it has been.

Sincerely His and yours,
Nelson

LIFT STATION MONTHLY REMINDER - IMPORTANT

Submitted from the Office

URGENT ACTION REQUESTED - FLUSH TOILET PAPER ONLY

Our system is being clogged because people are flushing wipes down their toilets. The product packaging states the wipes are flushable, but they are not septic safe. They are clogging our system and will burn out our pumps.

PLEASE ALSO INFORM YOUR SUBLETTERS OF THIS LIMITATION!

Thank you for your assistance!

Sunset Palms Management

FLUSH ONLY: Body waste and toilet paper. (The 3 P's = pee, poo, paper)

*It is highly recommended that only **ONE-PLY** toilet paper be used to prevent clogging the toilet.*

DO NOT FLUSH:

- Tampons
- Sanitary pads
- Diapers
- Depends
- Swiffer Cloths
- Dust Cloths
- Wet Wipes
- Kleenex
- Food, etc.
- When in doubt, DON'T FLUSH IT!

When we flush, the waste goes into a **holding tank** that has two pumps to expel the waste **UP and OUT** into the Pinellas Park sewage system. When any of the above gets flushed, it clogs the pump, overheats it and burns out the motor.
