## PRESIDENT'S CORNER

*Submitted by Jan McCoy*

---

I'd like to express a special thank you to those Social Committee members and most especially to Carol Eitenmiller who worked to ensure events continued through the summer months. Thank you for what you were able to accomplish! Unfortunately, Carol is unable to continue as Committee President leaving a vacancy to be filled. Check out the article in this edition for additional information regarding next steps for the committee. October signals the start of the return of seasonal residents. By November, the Social Committee will be in full swing planning for a fun high season of events. We hope you will consider getting involved to whatever degree you are able to be helpful.

The office looks forward to welcoming our residents back to the park. Please be sure to sign-in at the front desk upon your return. Budgeting and, believe it or not, planning for the next Annual Meeting are already in progress. This means mailings will take place to your home of record as noted in our Vantaca system. Please do your part by logging into your Vantaca account to ensure your mailing address is accurate (log in, click on my profile to view what address is listed). You will be able to make updates yourself if required.

Additionally, we encourage you to consider signing up to receive business communications electronically if you are a computer user. And remember, electronic voting is an available option. Forms can be obtained at the office. If you have questions, our staff is available to assist. If you have previously signed up, no actions are required on your part. That information is on record and remains valid unless you've changed your email address.

Wishing everyone a happy fall! We look forward to seeing many more smiling faces in the park soon.

Our thoughts and prayers go out to those who are ill or have lost loved ones.

Respectfully submitted,  
Jan McCoy  
President, Board of Directors

## MANAGER'S CORNER

*Submitted by Marilyn Corazza*

Looking back and moving forward...

I am sharing this article with you because I was so excited that the Park's fencing that was damaged during the storms finally got replaced. I have been impatient with the fencing company and the contractors who have not been able to get to our repairs as quickly as we would have anticipated after last year's storms.

It is hard to believe that it has been a year since Hurricanes Helene (September 26, 2024) and Milton (October 10, 2024), caused catastrophic damage to Pinellas County. Two powerful storms that impacted the residents of Pinellas County in two very different ways.

Helene's storm surge caused widespread flooding along the beaches and low-lying areas of Pinellas County resulting in fatalities and the destruction of homes and businesses, and damage to roads, parks, and the beaches.

I will never forget seeing the cars that were parked in the garage under my building floating in the water and banging into each other and the walls of the building as the water came up higher and higher, or the next morning when there was no sea wall, no grass, bushes, asphalt drives, or Gulf Boulevard – everything was buried and covered in sand.

The arrival of Milton's high winds (gusts of 80 – 100 mph were reported in Pinellas County) and rainfall of over 18 inches in St. Petersburg and Clearwater Beach, added to the destruction that Helene had caused just two weeks earlier causing widespread debris everywhere. The winds were so strong that the roof of Tropicana Field in St. Petersburg was ripped off.

More flooding, more damage, more debris along the streets. The excessive rainfall from Milton caused the entire first floor of our condominium building (which is 10 feet above sea level) to flood.

My husband and I took a drive along Clearwater Beach last weekend and it was sad to see the visible damage to the beach and the homes there. The debris (sofas, cribs, pictures, mattresses, cabinets, etc.) that was piled along the streets is gone, but the shells of houses remain; many of them for sale. Repairs have started on the roof of Tropicana Field, but the aftermath of the storms is still evident. It is not the same and will take a long time to become a new normal.

I have lived in Pinellas County for 53 years on the beach for 26 years and have never experienced the damage that occurred during Helene and Milton. Please make sure that you and your family are prepared in the event of a hurricane. Listen to the weather reports and the news and have a plan in place before the storm hits.

## TRAVEL CORNER

*Submitted by Kim Paquette*

---

**T**ake a moment to imagine it. Close your eyes and let your mind wander. Do you see yourself strolling through the lavender fields of Provence? Watching the sunrise from your cruise balcony? Or maybe it's something as simple, and magical as dipping your toes into the warm sand of a Caribbean beach with nothing on the agenda except rest.

The beauty of dreaming about travel is that it takes us beyond the everyday. Even before the tickets are booked or the bags are packed, travel starts in our imagination. It's in the spark of curiosity, the longing for discovery, the pull of adventure.

And what's even better? Every travel dream is different. For some, it's about seeing a wonder of the world. For others, it's about connection, time with family, laughter with friends, or sharing new experiences with a loved one. For many, it's about finding a place of peace, where the pace of life slows down just enough to breathe deeply again.

Your travel committee believe those dreams matter. They're the seeds that grow into memories you'll treasure forever. That's why we want to hear from you.

This month, we invite you to share your dream destination with us. Where is your heart pulling you? What's the place you can't get out of your mind? Is it the one that makes you light up just thinking about it?

Your answer might inspire more than just your own journey. Over the next few weeks, we'll be asking more "dream questions" and sharing highlights of what other travellers are imagining, so we can inspire each other as a community of dreamers and explorers.

So go ahead!! Send us an email, message us on Facebook or stop us on the street. We want to hear from you. If you could dream of a destination, where would you go? We can't wait to read your answers. And who knows. Maybe the next adventure we plan will be the one you've been dreaming of all along.

Until then, keep dreaming big, wandering often, and believing in the journeys yet to come.

### **What's Around the Bend?**

Are you ready for a new season of adventure and discovery? There's an exciting buzz in the air here at Sunset Palms, and our FB page has a sneak peek of some special journeys we're planning—just for our residents!

Whether you dream of group getaways with friends or crave a relaxing escape, we've got some extraordinary experiences and fresh destinations on the horizon. If you're hoping for something a little different this year—or even have a wish-list trip in mind—we'd love to hear from you! From unique cruises, fascinating land tours, and special themed adventures (golf, bike, line dancing and wine?) to carefree getaways and exclusive travel perks, there's plenty to look forward to. Keep an eye on the sunsetpalmstravel Facebook page for details and let us know what sparks your interest!

# Did You Know?

October got its name originally from being the eighth month of the year when the Romans made the first calendar. "Octo", meaning "eight" in Latin, was the name given to the eighth month of the year, until the calendar changed to the 12-month design we all know today; now the 10th month, whilst keeping the same Latin name!

Volunteers spend countless hours working on your behalf; this is why we are always requesting more help. And this is why we need you. When everybody does a little, it keeps others from having to do a lot. Spreading out our responsibilities makes things easier and a lot more fun for all.

## TRAVEL CORNER – 2026

Submitted by Kim Paquette

**A**s we look ahead to 2026, our travel committee is thrilled to offer an exciting lineup of trips designed to create memorable experiences for all travelers in our community. Whether you're a seasoned cruiser or prefer shorter adventures, there's something for everyone in the year to come.

### Cruises Leading the Way

Cruising continues to be the top choice among our travelers, and we're well-prepared with plans to book group cruises one to two years in advance. The best part? Most group cruise bookings remain fully refundable until 90 days before departure—giving you peace of mind when reserving your spot.

- **January 30, 2026:** ABC Cruise to the Dutch Islands and Grand Bahamas

We're starting the year with an overwhelming group going on this vibrant cruise, packed with activity, excitement, and plenty of music to keep spirits high as we explore beautiful destinations.

- **August 2026:** Alaska Cruise

Due to popular demand, we are organizing another Alaska cruise, joining forces with nearby communities to offer a spectacular voyage to this breathtaking region. Details will be available on the sunset palms travel Facebook page.

### Adventurous Alternatives and Unique Experiences

For those who enjoy options beyond the sea, we have captivating choices that blend active and cultural experiences:

- **Mid-October 2026:** Bike and Barge in Belgium

This intimate group trip is limited to 20 participants and offers a delightful exploration of Belgium and Brussels through a bike and barge trip in northern Europe. The barge provides total privacy to our group, and you can choose to bike from port to port—immersing yourself in the countryside. For non-bikers, included tours abound with stops at wineries, chocolate-making workshops, and other local highlights. Either way you will dive into the culture. We dock every night and only sail during day.

### Looking Ahead: River Cruises and Christmas Markets

Our community is also working on an affordable mid-level river cruise for either late 2026 or late 2027, aimed especially at those who love the festive atmosphere of European Christmas markets. These cruises are magical experiences worth considering as the holiday season approaches.

### Booking Notes

Keep in mind that while ocean cruises typically offer flexible, refundable booking options, shorter bus trips and day trips often require immediate payment, usually about 50% upfront. This can sometimes make commitment a bit trickier, so early planning is key.

As always, we're here to help you navigate all these wonderful options and find the perfect trip

*...continued on page 28*

that suits your style and pace.

We know that every traveler's situation is unique, and that budgeting and preplanning are important—especially when committing to future trips. Not everyone has the flexibility or funding to join every adventure, and making choices are necessary for most of us.

Our Travel Committee works hard to bring you information as early as possible, so you have time to consider your options. For most major trips, especially cruises, we're prepared to accept monthly refundable installments to make it easier for you to reserve your spot without a big upfront commitment. This way, you have more flexibility as plans evolve and can manage your finances with less pressure.

If a trip is not within reach right now, that's okay, there will always be more opportunities to connect and explore together. We encourage you to reach out if you have questions about payment options or need guidance. Our goal is to make travel accessible and enjoyable for everyone in our community.

Let's keep making memories—one step at a time, at a pace that works for you!

We look forward to sharing another year of group travels.

## THOUGHT FOR THE MONTH

*Submitted by Pastor Nelson Blount*

---

Legacy!

As I write again, another dear friend has experienced the loss of his spouse. Pastor Mike is pastor of Victory Fellowship in Largo, FL. His wife was recently interviewed by WFLA as a nominee for “Remarkable Woman of the Year.” You can view the interview at <https://www.youtube.com/watch?v=XQjyMw0lHhQ> . Diagnosed with stage 4 cancer in 2018, she died this last Sunday.

Have you ever missed a sunset only to be wowed by what follows as the sun sets beyond the horizon? What follows is one of the most beautiful videos that your mind can conceive. How great Thou art! The Creator has provided us with the miracle of life as we are fearfully and wonderfully made. He has provided us with so much to enjoy in this life. Then the enemy asked a question about the Creator which changed everything. We live in that tension. Death entered an otherwise paradise only to be recaptured in a simple choice we are free to make.

Anyway, this thought of a missed sunset focuses on the brilliance of the sun as it is seen beyond the horizon. Yvette has cast that brilliance through her life from the moment she reached up from the bottom after an abusive relationship leaving her homeless with two children. This life well lived and ultimately given to others who benefited from the change which occurred in Yvette’s life. I can’t say enough about the far-reaching effects of a changed life impacting hundreds and thousands of people through simple food distribution. Yvette lived to bless others including her dear husband, Michael.

This thought challenges me. When I breathe my last breath, I pause to ponder the sun set beyond the horizon in terms of others whose lives have been touched by God’s love in Jesus through me.

NELSON

## LIFT STATION MONTHLY REMINDER - IMPORTANT

*Submitted from the Office*

### **URGENT ACTION REQUESTED - FLUSH TOILET PAPER ONLY**

*Our system is being clogged because people are flushing wipes down their toilets. The product packaging states the wipes are flushable, but they are not septic safe. They are clogging our system and will burn out our pumps.*

**PLEASE ALSO INFORM YOUR SUBLETTERS OF THIS LIMITATION!**

**Thank you for your assistance!**

**Sunset Palms Management**

**FLUSH ONLY:** Body waste and toilet paper. (The 3 P's = pee, poo, paper)

*It is highly recommended that only **ONE-PLY** toilet paper be used to prevent clogging the toilet.*

### **DO NOT FLUSH:**

- Tampons
- Sanitary pads
- Diapers
- Depends
- Swiffer Cloths
- Dust Cloths
- Wet Wipes
- Kleenex
- Food, etc.
- When in doubt, **DON'T FLUSH IT!**

When we flush, the waste goes into a **holding tank** that has two pumps to expel the waste **UP and OUT** into the Pinellas Park sewage system. When any of the above gets flushed, it clogs the pump, overheats it and burns out the motor.
